

SGD5

Auto-reclosure Over & Under Voltage Protector

Rated voltage(V)	230VAC
Rated current In(A)	40,63,80
Rated frequency(Hz)	50/60
Specification	Digital single-phase
Default value of current(A)	20A,40A
Overvoltage protection value(V)	230~300
Overvoltage recovery value(V)	270
Under-voltage protection value(V)	140~210
Under-voltage recovery value(V)	170
Restore delay time	≤1~30S
Self-consumption power(W)	< 1
Electrical and mechanical life	> 100,000

SGD5

Neutral line Live line
